

CONSUMER ACH AUTHORIZATION AND AGREEMENT

I acknowledge that the ability to transfer funds in the Domain Money app allows me to electronically transfer funds via Automated Clearing House ("ACH") between my eligible Domain Money Deposit Account ("Account") held at WebBank and my external deposit account(s) at other financial institutions ("External Account(s)"), once I have successfully registered my External Account(s). This includes:

- One-time on-demand transfers, which allow me to initiate, non-recurring, individual transfers based on the transfer date and dollar amount that I request through the Transfer Funds feature through the Domain Money application ("App") from time to time;
- Recurring transfers, which allow me to initiate recurring transfers of a set dollar amount at regular intervals that I have established through the Transfer Funds feature of the App; and/or
- Other ACH transfer features that WebBank may make available through the App.

Subject to the terms of the Transfer Funds feature and the terms of any other agreements with WebBank, I hereby authorize WebBank to initiate electronic credit/debit entries with respect to my Account to or from each registered External Account for (a) various amounts at varying times by making on-demand transfers pursuant to my instructions through Domain Money, Inc. ("Domain Money") (as my agent), and/or (b) fixed amount at the frequency I have selected by making recurring transfers pursuant to my instructions through Domain Money (as my agent) (a "Preauthorized Transfer"). I understand that WebBank will only accept instructions concerning my Account, including the ACH transactions contemplated by this Consumer ACH Authorization and Agreement, from my agent Domain Money. I agree to only submit my instructions concerning the contemplated ACH transactions to my agent Domain Money. If any transfer date falls on a weekend or bank holiday, I understand and agree that the transfer may be executed on the next business day, or as soon as reasonably possible at the discretion of WebBank.

I hereby represent and warrant that I have all necessary right, power and authority to debit and credit my Account and any External Account(s) registered, and that all information or instructions that I provide in relation to any ACH transfer is complete and accurate. I agree that ACH transactions I authorize comply with all applicable law.

Should an incorrect amount be withdrawn from or deposited to my External Account(s) or my Account, I authorize WebBank and Domain Money to correct the error by debiting/crediting my External Account(s) or my Account. If I detect that an incorrect amount has been

withdrawn from or deposited to my External Account(s) or my Account, I will immediately notify Domain Money via support@domainmoney.com.

This authorization is to remain in full force and effect until WebBank through my agent Domain Money has received written notification from me of its termination in such time and in such a manner as to afford WebBank a reasonable opportunity to act on it. For Preauthorized Transfers, I understand that it is my responsibility to contact WebBank through my agent Domain Money to stop or cancel a Preauthorized Transfer at least three (3) business days prior to the following scheduled payment. In either case, I will send my notice to: support@domainmoney.com.

I acknowledge that the origination of ACH transactions must comply with the provisions of applicable law and the rules of the National Automated Clearing House Association (NACHA). I request the financial institution that holds my External Account(s) to honor all transfers initiated in accordance with this authorization form. Authorization is effective at account

opening.

I agree to print this ACH Authorization and retain a hard copy or save as an electronic copy.
