("Domain Money") and the sellers of such securities, fund transfers will be initiated between the Cash Account and settlement accounts held at Georgia Banking Company.

### **I. Deposits and Withdrawals**

I, the consumer signing this authorization, hereby authorize Georgia Banking Company on a standing basis to initiate electronic credit/debit entries with respect to the Cash Account to or from my designated linked External Account when I initiate such entries in the type and manner prescribed below:

- One-time, on-demand ACH debit transfers, which allow me to initiate through my agent Domain Money, non-recurring, individual transfers from the External Account I designate through the Transfer Funds feature of the App to the Cash Account on the transfer date and in the dollar amount that I request through the Transfer Funds feature;
- One-time, on-demand ACH credit transfers, which allow me to initiate through my agent Domain Money, non-recurring, individual transfers from the Cash Account to the linked External Account I designate through the Transfer Funds feature of the App on the transfer date and in the dollar amount that I request through the Transfer Funds feature; and
- Recurring ACH debit transfers, which allow me to initiate through my agent Domain Money, recurring debit transfers from the linked External Account I designate through the Transfer Funds feature of the App to the Cash Account in the set dollar amount and at the regular intervals that I have established through the Transfer Funds feature of the App.

I hereby represent and warrant that I have all necessary right, power and authority to debit and credit the Cash Account and any linked External Account(s), and that all information or instructions that I provide in relation to any ACH transfer is complete and accurate. I agree that ACH transactions I authorize comply with all applicable law.

I acknowledge that the origination of ACH transactions must comply with the provisions of applicable law and the rules of the National Automated Clearing House Association (NACHA). This Authorization is effective on the date when electronically signed by me.

### **II. Settlement of Securities Transactions**

I authorize Domain Money as my agent to instruct Georgia Banking Company to initiate fund transfers from the Cash Account to settlement accounts held at Georgia Banking Company for the purposes of settling my securities purchases with Domain Money and the sellers of such securities. Such transfers may be on a one-time or recurring basis, depending on the nature of my purchase transaction. I also acknowledge that the cash proceeds of any securities will only be transferred to the Cash Account, but that I may withdraw such proceeds as provided above.

### **III. Additional Transfer Terms**

I understand that Georgia Banking Company will only accept instructions concerning the Cash Account, including the ACH and other transfers (“Transfers”) contemplated by this Standing & Recurring Fund Transfer Agreement, from my agent Domain Money. I agree to only submit my instructions concerning the Cash Account and the contemplated Transfers to my agent Domain Money. If any Transfer date falls on a weekend or bank holiday or we are unable to initiate a Transfer due to a system failure, I understand and agree that the Transfer may be executed on the next business day, or as soon as reasonably possible at the discretion of Georgia Banking Company.

Should the amount of a Transfer be incorrect, I authorize Georgia Banking Company and Domain Money to correct the error by debiting/crediting my linked External Account(s) or the Cash Account. If I detect that the amount of a Transfer is incorrect, I will immediately notify Domain Money via [support@domainmoney.com](mailto:support@domainmoney.com).

In the event a Transfer is unsuccessful (because, e.g., there are insufficient funds in my linked External Account), I understand that Domain Money and Georgia Banking Company may, in their sole discretion, attempt to re-initiate the Transfer or cancel it. I understand that Domain Money and Georgia Banking Company reserve the right, in their sole discretion, to terminate any recurring Transfers authorized under this Agreement at any time, including due to an excessive number of unsuccessful Transfer attempts.

This authorization is to remain in full force and effect until my agent Domain Money has received written notification from me of its termination in such time and in such a manner as to afford it a reasonable opportunity to act on it. I understand that I can revoke this authorization or a Transfer at any time by contacting my agent Domain Money at least three (3) business days prior to the scheduled Transfer. In either case, I may send my notice to: [support@domainmoney.com](mailto:support@domainmoney.com) or I may call (760) 836-6246.

### **IV. Waiver of Right to Notice of Variable Amounts**

I understand that I have a right to notice when the amount of a recurring Transfer pursuant to this Standing & Recurring ACH Transfer Agreement varies from the amount authorized for such recurring Transfer or a previous Transfer. I hereby consent to only receive notice of a varying Transfer when the Transfer is an excess of the dollar amount that I authorized. Although I understand that I may opt out of this authorization by emailing [support@domainmoney.com](mailto:support@domainmoney.com) and, by opting out, receive notice for each recurring Transfer varying in amount, I understand that by opting out Domain Money may prohibit me from participating in recurring Transfers otherwise available on the App.
